June 2023 Monthly Report Summary

COMMUNITY EVENTS:

The Annual **Touch-A-Truck** event sponsored by the Recreation Department was held in Tower Park. Lieutenant Brent Moening, Sergeant Derek Faught and Officer Sean Donelan were on hand to talk with the children and provide cruiser demonstrations.

TRAINING:

Officer Brandon Laffin attended **Firearms Instructor**. The Firearms Instructor Course provides instruction from developing shooting courses to establishing a comprehensive firearms program for your agency. It includes courses for many weapons issued or authorized by an agency including off duty weapons, handgun and patrol rifle. The course will include developing firearms training, weapon familiarization, student led courses of fire, patrol rifle zero practical, designing a course of fire, legal considerations for firearms instructors, ballistics, and firearms safety. NOTE: There will be two low light sessions scheduled during the training and may vary depending on circumstances such as weather. Students are required to pass an entry handgun and rifle qualification on the first day to remain in the course.

Our department currently has a unit of six **Designated Marksmen**. The goal of this unit is to have multiple officers readily available who are equipped and trained to engage threats with precision and/or at longer-than-average distances. 2023 was the first year the team assembled to train together, having a department range day specifically for developing the Designated Marksman Team. They worked on perfecting zeros, range sheets, offset calculations, positional shooting, accuracy at distance, and understanding limitations.

Office Tyler Laffin attended *Digital Photography*. Digital Photography is a 40-hour course designed for patrol officers and investigators who need advanced training in police photography. Blocks of instruction will include: Exposure and Metering, Low-light and Flash photography, Depth of Field, White Balance and more. The Nikon D-7100 camera system will be used for all exercises. All cameras and equipment are provided by DOCJT for this training.

School Resource Officer Zac Rohlfer and Lieutenant Adam Noe attended the *Safe Schools and Communities Conference* in Richmond, KY. The conference included presentations by many nationally known keynote speakers. Training included breakout sessions on mental health issues, working with special populations of students, school law update, social media trends, and threat assessment updates.
